**TRIBUNAL CIRCULAR**  
**LODGMET OF SEARCH REQUESTS UNDER**  
*Neighbourhood Disputes About Plants Act 2017*

From the 19 November 2018 Service Tasmania will receive and receipt Search Requests on the Tribunal's behalf. The Tribunal Registry will no longer accept lodgement of "hard copy" search requests with cheques.

This new system may lengthen the search process by a few days, however, if a search is urgent, you may use the Tribunal's online lodgement system (payment by credit card) which will result in a faster turnaround. Please see <https://www.rmpat.tas.gov.au/applications/search-database>

The online search function is in fact the Tribunal's preferred method of lodgement.

Would you please pass this information on to your conveyancing staff as a matter of urgency.

Yours faithfully
