## Her Excellency Governor Kate Warner

The President and the Council of the Law Society of Tasmania join the profession in wishing Her Excellency the Governor Professor Kate Warner a speedy and full recovery from her recent diagnosis of non-Hodgkin lymphoma.

Many legal practitioners have had the benefit of her wisdom and guidance through her time as a lecturer at the University of Tasmania and as Dean of the Faculty of Law since 1992 as well as in her current role.

Her Excellency's energy, drive, intelligence and grace are an inspiration to us all. We look forward to her participation in the celebration of the Opening of the Legal Year.
