

## JUST CATS TASMANIA

*"Helping Every Feline Find Love... Responsibly."*

Wanting to change the world? Wanting to contribute to global transition?

Maybe not your gig? ..... but still want to make a significant change to your community then Just Cats Tasmania is looking for you.

We are currently seeking a legal representative with a big lap and warm heart, that is ready to join our board, share your cat stories, offer salient advice and just enjoy the wonderful and challenging world of responsible and humane cat adoption and sheltering.

This is not just a role that requires your legal skills, but your passion for marketing, fundraising, animal welfare and a genuine desire to make grass roots change to State wide environmental issues.

Your passion is essential, your critical analysis is required and your initiative is a basic requirement to fulfil our board dynamic.

Do you think that you can help us make a change and build resilience in the animal welfare industry in our state and facilitate change and policy?

Please contact us on .....0448882172 – Sheena Harris, Board Chair
