

Board of Directors **VACANCIES**

Diabetes Tasmania has been working with our Tasmanian community since 1955 to prevent and reduce the impact of diabetes.

We are your local health charity and we work in collaboration and with the support of Diabetes Australia. Advocating for all people affected by diabetes, we are a trusted service partner of the Government and show strong leadership and governance within our organisation.

The Diabetes Tasmania Board is a skills-based Board of Governance comprising up to 8 Directors.

We are seeking applicants to fill **two** vacant Director positions.

For one of the positions we would value skills and experience in the area of, **financial management, where accountancy qualifications are desirable.** For the other role we are not seeking specific skills but would welcome your enquiry if you are a strategic thinker and have a desire to make a difference.

Board roles are voluntary and do not attract sitting fees. Directors are reimbursed for relevant expenses incurred when undertaking their role.

For further information and to request an Information Pack please contact Caroline Wells, CEO at cwells@diabetestas.org.au

Applications close Monday, 14 September 2020.
